

To provide a screenshot of your active BHA license, you can follow the link below to the BHA Greenbook.

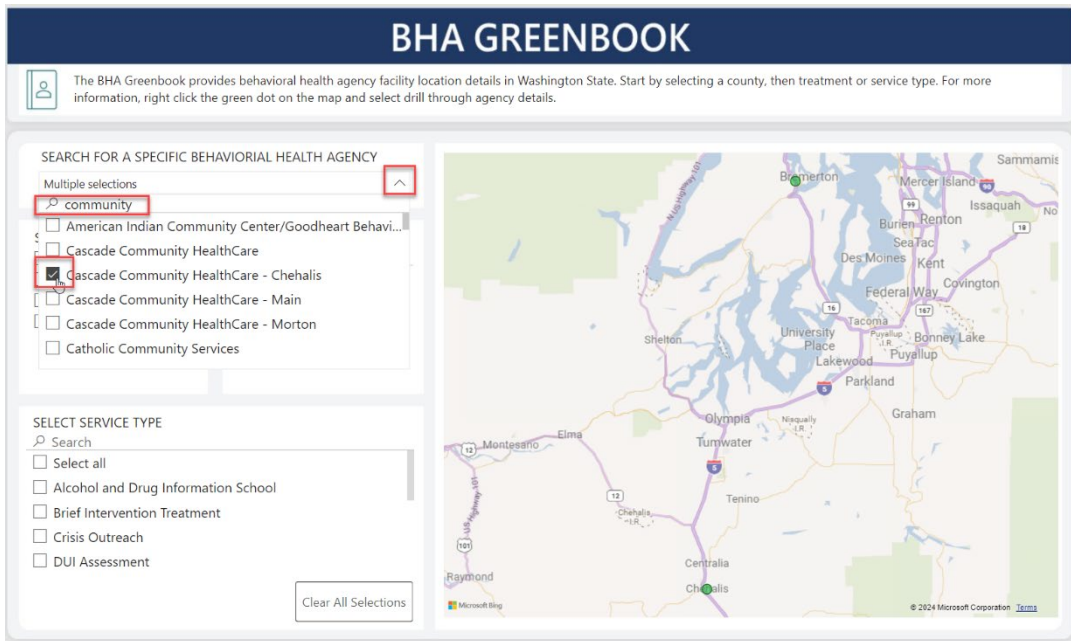

[Find a BHA | Washington State Department of Health](#)

1. The initial home page, including the Greenbook will look like the screenshot below.

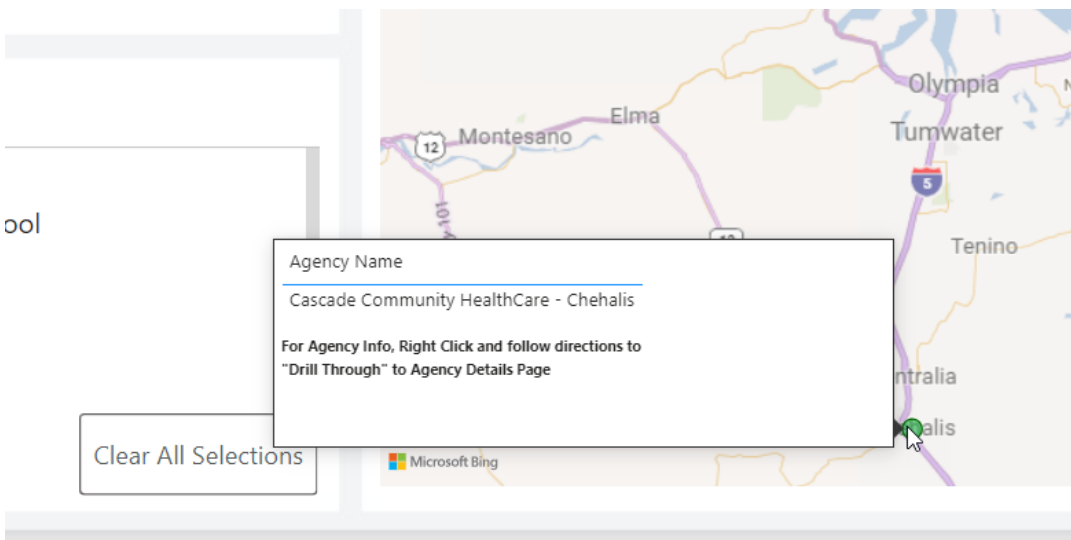

The screenshot shows the Washington State Department of Health website. The top navigation bar includes links for 'About Us', 'Contact Us', and 'Newsroom'. Below this is a search bar and a main menu with categories like 'You & Your Family', 'Community & Environment', 'Licenses, Permits, & Certificates', 'Data & Statistical Reports', 'Emergencies', and 'Public Health & Provider Resources'. The breadcrumb trail indicates the current location: 'Home > Licenses, Permits, & Certificates > Facilities - New, Renew Or Update > Behavioral Health Agencies (BHA) > Find A BHA'. On the left, a sidebar lists various services, with 'Find a BHA' highlighted. The main content area is titled 'Find a BHA' and 'Searching the Greenbook'. It contains three bullet points: 1) To search for an agency by name, select the down arrow under 'SEARCH FOR A SPECIFIC BEHAVIORAL AGENCY,' then type the agency name and check the corresponding. 2) To filter agencies by Services Group, Service Name, or County, check options in selection boxes. 3) To clear filters, unselect the boxes or use the 'Clear all Selections' button. Below this is a section titled 'For Detailed Information on Providers' with three bullet points: 1) Tool tips: for the Agency Name, hover the mouse over a location on the map. 2) Drill-through: for detailed information on the agency, hover the mouse over the location on the map, then right-click. From there, click on the drill through option 'Agency Details.' The Agency Details page provides agency name, address, phone number, a list of all services provided, number of beds, license number and credential status. 3) Use the back arrow at the top of the details window to return to the main page. At the bottom, there is a screenshot of the 'BHA GREENBOOK' interface, which features a search bar, filters for 'SELECT TREATMENT' (Crisis, In-Patient, Other Services, Outpatient, Recovery Support, Substance Use Disorder), 'SELECT COUNTY' (Select all, Adams, Asotin, Benton, Chelan, Clallam), and 'SELECT SERVICE TYPE' (Select all, Adult Evaluation and Treatment, Adult Secure Withdrawal Mgmt and Stabilization, Adult Withdrawal Management, Alcohol and Drug Information School). A map of Washington state shows various green dots representing agency locations. The interface is displayed in a Microsoft Power BI window.

Continued on the next page.

- Using the drop-down option, either scroll through the list to find your facility name, or type in the name and select the check box to the left of the facility name.

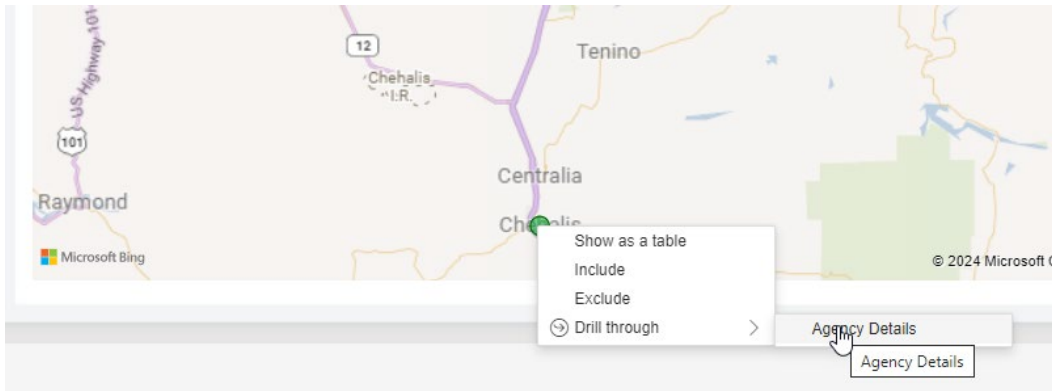

- Hover your cursor over the green dot that indicates the location of the facility. The Agency Name will pop up. Right click to get to the "drill through" option.

Continued on the next page.

4. Hover over “Drill through” and select “Agency Details”.

5. The details shown at the very bottom will include the license number and it will state if the credential is active or not. Take a screenshot of this information, like the one below.

CLICK TO RETURN **Agency Name**
