

Community Health Workers (CHWs)

Are you interested in learning more about dentistry and referring family, friends, and clients to oral health care?

F R E E

Oral Health Training FOR ADULTS

Help us design a program for CHWs to learn about the importance of oral health and how to refer adults to care.

Sea Mar Community Health Centers, the Pierce County Local Impact Network and Foundation for Healthy Generations are hosting 5 sessions:

CHW Learning Opportunity!

- Join us at one of our experiential learning sessions and then share your learnings with your networks - and improve the oral health of your community.
- **What you'll give:** 2 hours of your time.
- **What you'll receive:** \$25 gift card, free training and oral health tools.
