SUBCABINET

PURPOSE

To help state agencies work together to address immigration issues affecting people in Washington.

OBJECTIVES

1. To help Cabinet agencies, boards, and commissions follow the values and principles in Executive Order 25-09.
2. To help state agencies and other state groups work together on immigration issues that affect people in Washington.
3. To keep track of recent changes in federal laws and policies and suggest updates to address immigration concerns in Washington.
4. To meet regularly with community members and organizations to talk about issues affecting immigrant and refugee communities. The Subcabinet will use their ideas and feedback in the Subcabinet's work.
5. To give the Governor a report every three months on state agency practices and suggest changes in policy.
