

DRESS IN BLUE. SHARE YOUR WHY.

March is Colorectal Cancer Awareness Month.

Together, we can save lives through screening, early detection, and the power of shared stories.

When you share your story, you help:

- Encourage lifesaving screening starting at age 45.
- Support survivors and families.
- Honor loved ones.
- Build a community of hope and prevention.

1.

Pick any day in March to wear Blue or March 6, National Dress in Blue Day
