

Shared Goals and Visions:

An Ecosystem of
Justice, Liberation, and Well-Being

Complementary Levers for Change:

Amplify Tribal and Community voices;
lead with anti-racism; advocate for change; organize
(solidarity, collaboration, unity); investigate root causes;
support systems navigation; create guidance
documents, recommendations, and position statements

Unique Pathways and Responsibilities:

Educational Justice, Health Justice,
Environmental Justice

Individual Organizations:

Educational Opportunity Gap
Oversight and Accountability Committee,
Health Disparities Council,
Environmental Justice Council
