

Contact Tracing

What will they ask me?

I have measles

I was in contact with someone who had measles

1. Confirm your name, address, birthday, and race/ethnicity.
2. Where and when do you think you were exposed to measles?
3. Where did you go when you were contagious?
4. Please provide the names and contact information for people you were in close contact with recently.

1. Confirm your name, address, birthday, and race/ethnicity.
2. Do you have measles symptoms?

The interviewer will **NOT**

- Ask for your immigration status.
- Ask for your social security number.
- Ask for financial information.
- Tell you who may have exposed you to measles.

When the interview is over, the interviewer will give you information about what to do next.

All information you provide is confidential and your medical information is protected by law. Interpreters are available.
