

Good morning!

Thanks for checking out your WYSHIIN news brief. Once per quarter, the team at DOH will use this medium to share updates, celebrate your work, and connect partners to resources and each other.

Partners made incredible strides to improve youth access to and experience with sexual health care in the January-June reporting period

Network partners...

- Attended and held 245 trainings and youth-centered events
- Gave 4 national, 6 state, and 10 local presentations
- Engaged 5,680 youth, 589 caregivers, and 1002 community members
- Worked with Luna Consulting, Cardea Services, and Healthy Teen Network to enhance inclusion of LGBTQ+ and neurodiverse youth

Thank you for all that you do!
