home/mamha](https://waportal.org/partners/home/mamha)

### Participants will leave with tools and resources to:

- ✓ Address and lower suicide risk and accidental opioid overdose in their perinatal patient population
- ✓ Deliver improved clinical interventions and approaches to address gaps in care (screening, coordinated care, treatment options)
- ✓ Direct effective practice change to address pregnancy associated deaths

*\*The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.*

*The University of Washington School of Medicine designates this live activity for a maximum of 3 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (Each session is 1.0 credit).*

*Receiving credit requires passing an electronic post-test knowledge assessment at ≥75% after two attempts..*
