

Maternal Mortality Review Panel, MMRP ECHO, Extension for Community Healthcare Outcomes

MMRP Across Washington

Regional Review of the 2023 MMRP Report to the Legislature on Maternal Deaths (includes deaths up to a year postpartum)

Join us in person to discuss local and regional strategies to reduce maternal mortality. Let's create solutions together. Your regional leaders, Vicki Birkeland and Rумыana Kudeva will host this convening.

Goals for the meeting

- Review findings from the 2023 MMRP Report to the Legislature
- Consider options for continued community input

For more information contact MMRP ECHO staff: dinaha@uw.edu
