MMRP ECHO Across Washington

Regional Review of the Latest MMRP Report to the Legislature on Maternal Deaths

Join us to discuss local and regional strategies to reduce maternal mortality. Let's create solutions together. Your regional leaders, Carl Olden and Sharilyn Emhoff, will host this convening.

Goals for the meeting

- Review findings from the new MMRP Report to the Legislature
- Consider options for continued community input

More information: MMRP ECHO staff
dinaha@uw.edu
